## THE MOM TEST

*I was out walking with my 4 year old daughter. She picked up something off the ground and started to put it in her mouth. I took the item away from her and I asked her not to do that.*

*'Why?' my daughter asked.*

*Because it's been on the ground, you don't know where it's been, its dirty, and probably has germs' I replied.*

*At this point, my daughter looked at me with total admiration and asked, 'Momma, how do you know all this stuff, you are so smart.'*

*I was thinking quickly. 'All moms know this stuff. It's on the Mom Test. You have to know it, or they don't let you be a Mom.'*

*We walked along in silence for 2 or 3 minutes, but she was evidently pondering this new information.*

*'OH...I get it!' she beamed, 'So if you don't pass the test you have to be the dad.'*

*"Exactly' I replied back with a big smile on my face.*

*Happy Mom's Day!!*
